NOTICE-AND- ACCESS

You are receiving this notice as Source Energy Services Ltd. (the “**Company**” or “**Source**”) is using the “notice-and-access” provisions under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (the “**Notice-and-Access Provisions**”) to send meeting materials for its 2023 Annual General Meeting of Shareholders (the “**Meeting**”) to Source’s holders of Common Shares (the “**Shares**”) who hold such Shares in the name of a broker or an agent (“**Beneficial Holders**”) and to shareholders who hold their Shares in their own name (“**Registered Holders**”) (Beneficial Holders and Registered Holders collectively, the “**Holders**”). The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing an issuer to post its information circular in respect of a meeting of its shareholders and related materials online. Notice-and-access is more environmentally friendly as it will help reduce paper use and our carbon footprint and it should also reduce our printing and mailing costs.

Instead of receiving printed copies of the notice of the Meeting, the Management Information Circular (the “**Circular**”), the audited consolidated financial statements of the Company for the year ended December 31, 2022, and management’s discussion and analysis thereon (“**Financial Information**”) (the Circular and Financial Information collectively, the “**Meeting Materials**”), our **Holders are receiving this notification containing information on how to access the Meeting Materials electronically**. Together with this notification, Holders continue to receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. We also provide paper copies of the Meeting Materials to Beneficial Holders who have standing instructions to receive, or for whom Source has otherwise received a request to provide paper copies of materials.

As is set forth in the “*Business of the Meeting*” section on page 8 of the Circular dated March 8, 2023, that has been prepared for the Meeting, and the proxy or voting instruction form which accompanies this Notice-and-Access Notification, the business of the Meeting is as follows:

Business of the Meeting

Refer to Circular

1. Receive and consider the financial statements of the Company for the year ended December 31, 2022, and the auditor’s report thereon;
2. Fix the number of directors of the Company to be elected at the Meeting at **FIVE (5)**;
3. Elect the directors of the Company for the ensuing year;
4. Appoint the auditor of the Company for the ensuing year and authorize the Board to fix the remuneration of the auditor;
5. Transact such other business as may properly be brought before the Meeting or any adjournment or postponement thereof as ordinary business.
